

Becky Puhl has been teaching infants, children and adults essential survival skills since 1998. She resides in Volusia County Florida which is her primary teaching location. Miss Becky has also taught students in: Galveston, Houston, Spring, Pearland, Dallas, New Braunfels, San Antonio Texas. She has trained numerous instructors throughout the country as well.

Becky brings her enthusiasm for teaching, as she acts like the biggest child in the pool, combined with her BS in Psychology to make lessons enjoyable for all. She has a background and passion for working with special needs children. She was a competitive swimmer from ages 6 to 18 years, although she hated every minute of it!
